2009 COLORADO INSULATION REBATE PROGRAM

QUALIFYING CUSTOMERS

This program is available to Xcel Energy residential natural gas customers in Colorado for existing residential housing. **Rebate applies to attic and bypass sealing, wall insulation and air-sealing and weather-stripping only.** Program excludes new residential construction, new residential additions, garages, sheds and workshops.

Customers requesting rebates must contract for insulation services with fully licensed and bonded insulation contractors.

REBATE DETAILS

This program will provide a rebate equal to 20 percent of the of the insulation and installation up to a maximum rebate of \$ 300 per customer per natural gas heating meter.

To qualify for a rebate, all insulation must be installed to the manufacturer's specifications and meet all state and local codes and federal regulations. Xcel Energy reserves the right to inspect installations before issuing a rebate.

Qualifying equipment must be purchased and installed between January 1, 2009 and December 31, 2010. Customers must apply for this rebate within 6 months of installation of insulation.

Our program requires you to submit a completed rebate application and a dated sales receipt/invoice before Xcel Energy can issue a rebate.

Xcel Energy issues cash rebates in the form of checks, not energy bill credits.

Xcel Energy Rebate programs are subject to requirements established by the Colorado Public Utilities Commission. Xcel Energy reserves the right to limit any rebate. Acceptance of the application does not guarantee payment of a rebate. You will be notified if your application **has not** been accepted, pending final Xcel Energy review.

Qualifications for a rebate does not imply any Xcel Energy representation or warranty of insulation, design or installation. Xcel Energy also does not warrant that actual energy savings will be equal to the contractor's estimate. Customer agrees that Xcel Energy shall not be responsible or liable for any personal injury to property damage caused by installation or insulation. The rebate program is subject to change or cancellation without notice. Please visit us at xcelenergy.com or call **1-800-895-4999** to determine whether any program changes have occurred.

SEND COMPLETED APPLICATIONS TO:

**Xcel Energy
Products & Services
PO Box 829
Minneapolis, MN 55440-0829**

Please allow six weeks for your rebate to arrive.

CHECKLIST
